

## Straw Ref

- Artist: Shawn Richardson
- Created: January 1999
- Size: 9" x 11.5"
- Media: Black ink pen on watercolor pen
- Image Descriptions:

A single-panel comic strip. A white female basketball defender chases an opposing Black female player, trying to block the shot. The referee blows a spitball through a straw, hitting the back of the defender's head, instead of using his whistle. The caption reads: "Deaf-Friendly: A referee should use a straw blow gun instead of a whistler."
