*Sol de mi vida / Light of my life, 2008, Lithography on paper*

## VIDEO ARTIST STATEMENT

The Sun is the centre of our galaxy,  
Is my interpretation of Divinity.  
Is my own God, he loves us, provides  
Life and joy. He has a guarding angel  
That takes care of him, but he wants  
To show his face and splendour to all  
Of us.
