INSTRUCTIONS FOR EXEMPT ORGANIZATION: Form ST-5 is valid for exemption from sales and use tax on all purchases (except energy and utility service), if the purchase is directly related to the organization's purposes and made with organization (not personal) funds. Retain the original ST-5 (unsigned) in files, made copies and complete and sign them for vendors. Notify the Division of changes in organization name, address or exempt status.

INSTRUCTIONS FOR VENDORS (AND EXEMPT ORGANIZATIONS): In general, a seller or lessor who accepts an exemption certificate in "good faith" is relieved of liability for collection or payment of tax upon transactions covered by the certificate. "Good faith" requirements include:

- The certificate must be an official certificate having the signature of a Director of the Division of Taxation (or a photocopy of the certificate) and must have the organization's name, address and exempt organization number pre-printed by the Division on the upper portion of the certificate, with no apparent alterations.
- The certificate must be properly completed, dated, and signed by an officer of the organization.
- The vendor has no reason to believe that the purchase is a type not ordinarily used by the organization for its purposes.

For transactions not supported by proper exemption certificates shall be deemed to be taxable. The vendor has the burden of proving that tax was not required. Bills or receipts must show the exempt organization as the purchaser. Payment must be from the funds of the exempt organization. Certificates must be retained by the vendor for a period of not less than four years from the date of the last sale covered by the certificate. Subordinate or affiliated organizations may not use the exemption number assigned to the parent organization.

Additional Purchases - This certificate covers additional similar purchases by the same organization. Each sales slip or invoice must show the organization's name and exempt organization number.

ST-5A PERMIT - This Exempt Organization Certificate (ST-5) also serves as an Exempt Organization Permit (ST5A) for the organization to which the certificate is issued.

Dear Sir/Madam:

This responds to your May 23, 2016, request for information regarding the status of your group tax exemption.

Our records indicate that you were issued a determination letter in March 1946, that you are currently exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code, and are not a private foundation within the meaning of section 509(a) of the Code because you are described in sections 509(a)(1) and 170(b)(1)(A)(i).

With your request, you provided a copy of the *Official Catholic Directory for 2016*, which includes the names and addresses of the agencies and instrumentalities and the educational, charitable, and religious institutions operated by the Roman Catholic Church in the United States, its territories, and possessions that are subordinate organizations under your group tax exemption. Your request indicated that each subordinate organization is a non-profit organization, that no part of the net earnings thereof inures to the benefit of any individual, and that no substantial part of their activities is for promotion of legislation. You have further represented that none of your subordinate organizations is a private foundation under section 509(a), although all subordinates do not all share the same sub-classification under section 509(a). Based on your representations, the subordinate organizations in the *Official Catholic Directory for 2016* are recognized as exempt under section 501(c)(3) of the Code under GEN 0928.

Donors may deduct contributions to you and your subordinate organizations as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to them or for their use are deductible for federal estate and gifts tax purposes if they meet the applicable provisions of section 2055, 2106, and 2522 of the Code.

Subordinate organizations under a group exemption do not receive individual exemption letters. Most subordinate organizations are not separately listed in Publication 78 or the EO Business Master File. Donors may verify that a subordinate organization is included

in your group exemption by consulting the *Official Catholic Directory*, the official subordinate listing approved by you, or by contacting you directly. IRS does not verify the inclusion of subordinate organizations under your group exemption. See IRS Publication 4573, *Group Exemption*, for additional information about group exemptions.

Each subordinate organization covered in a group exemption should have its own EIN. Each subordinate organization must use its own EIN, not the EIN of the central organization, in all filings with IRS.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Cooper", written in a cursive style.
