Title of the workshop: Memory Game - Facial & Body Signs of Art
Syd Ahmed – email address not required

Description: This game is designed to provide visual signs from facial and body to help students recognize and memorize asl signs. This is a great way to build our sign languages! Afterward, it will show a song within a record when they have already had their own creative signs.

Materials: create your own signs

Target Audience: Registered campers

Language of Session: English

Tentative Date
